Ilham Burak	1 st Solo	Feb 01	Art Jones

Highlights from March Board

The March board meeting was held on Wednesday March, 7th and new member meeting on Saturday March, 10th.

Board members in attendance: Don Essenpreis, Dan Grelinger, Seth Fuller, Steve Aughinbaugh, Jimmy Hashem, Art Jones, Harold Morgan and Bob Moran.

Club members: Mark Seglem and Bill More.

Bob reported on his recent successful meeting with Texins association and provided copies of his proposal to Texins regarding TFC request for capital to finance a down payment towards the purchase of a C172. The additional aircraft will complement the advanced trainer fleet currently comprising of 3NB. Motion called by Steve and unanimously approved, called for him and Art to start a committee to investigate the purchase of the new aircraft.

TFC participated in the Texins Association Appreciation Day held on March 14th. Various board members volunteered to represent and generate interest in TFC activities throughout the day. Steve provided a poster of a C-172 in front of Sporty's Pilot Shop, pictures of the club airplanes and also had the club website loaded on a

laptop. Membership materials and information on the March VFR ground school were also made available.

Seth reported on the aircraft lease back committee progress. Recently an example cost analysis was sent out to the general membership to provide an indication as to what could be expected when entering into a lease back deal and the committee is currently identifying the parties interested in providing this service to TFC.

The meeting ended with officer reports:

Steve is working on updating and improving the TFC scheduling procedures to allow members to sign in as alternates in the schedule book. This should improve aircraft usage and allow members more flexibility in scheduling the planes. Dan reported that midyear, TFC will transition out of the current tax exempt status we enjoy. What this means is that taxes will now have to be paid for parts, maintenance, fuel etc. However, educational flying with an instructor will still remain non-taxable. Don and Seth provided the fleet reports.

The next board meeting will be on the 4th of April at 6:30 PM.

TFC Fleet Maintenance Report

By Don Essenpreis

6368K

02/04/01 Drained oil and replaced with 5 qts 15w50 Aeroshell.

7929U

02/21/01 Drained oil and replaced with 5 qts 15w50 Aeroshell.

150TM

02/02/01 Replaced alternator with overhauled unit.

02/05/01 Replaced left mag with overhauled unit.

02/21/01 Installed new landing light.

733NB

02/09/01 Completed annual inspection.

02/09/01 Replaced broken transponder face plate with serviceable unit.

02/17/01 Installed new gps data card.

7508J

02/08/01 Alternator repaired with new diodes.
02/19/01 Serviced gear retract fluid reservoir and checked system for leaks.

TFC CFI Chuck Chase at cwc@ti.com for additional information regarding this and future ground schools.

5636Q

02/03/01 Re-seated radios in mounting trays.
02/08/01 Drained oil and replaced with 7 qts 15w50 Aeroshell.
02/20/01 Installed new right main tire.
02/21/01 Installed overhauled manifold pressure gauge and reworked plumbing.

3187Y

02/20/01 Installed overhauled directional gyro.

TFC Membership List is now on the web

By Steve Auginbaugh

We have talked about putting the TFC Membership list on the web for some time now and I have finally done that. There are two pages, one by last name and one by member number. Both of these pages are "hidden" like the FlightComm price list is. There is no direct link to these pages from the other pages on the web site. So you will either have to remember the address, bookmark them or refer to this information.

The addresses are:

<http://www.texins.org/flyingclub/membersbyname.htm>
<http://www.texins.org/flyingclub/membersbynumber.htm>

The first one is by name and the second is by number. I have also added an email address to the membership database. I will also try to remember to print these lists to paper each month and update what we have at TKI so that you can lookup numbers there as well.

TFC Membership Summary as of March 2001:

Active members:	178
Officers:	10
Members on waiver:	5
Total:	193

C172 Purchase update

At press time, TFC is in the process of purchasing a C172 with the following details: 1978 - Cessna Skyhawk 172 N-P N737TY: Airframe Total Time and Engine Time Since Major Overhaul: 1480 hrs.

We should be getting this aircraft added to the club very soon so watch out for it.

VFR ground school summary

The VFR ground school kicked off on March 15th with a total of 25 registrants. 9 new members signed up with the club and began their ground school instruction. Contact
