### **Mid-Year Elections around the Corner!**

TFC mid-year elections are just around the corner. The club's constitution (Article VI, Section 2) calls for nominations in May for June elections. Nominations will be accepted starting May 1<sup>st</sup> for Operations Vice President, Trainer Maintenance Officer, and Treasurer. The nomination process will be open until election day, but nominations are strongly encouraged to be submitted before May 31<sup>st</sup>, so that we can electronically publish the list of nominees and a short biography. If you would like to nominate someone for a position, please send a message to the TFC board ([tflyboard@csc.ti.com](mailto:tflyboard@csc.ti.com)). Candidates must be active members in good standing, →

### **McKinney Air Fair and Young Eagles Day is May 16<sup>th</sup>!**

McKinney Fair Fly-In and Young Eagles Day set for May 16th. This event is in conjunction with the McKinney Mayfair celebration on the city square. Free shuttle service will be

offered between the airport and downtown McKinney on the 16<sup>th</sup>. There will be lots of arts, crafts, and other events downtown.

The airport event is being sponsored by the city of McKinney, EAA chapter 168 and the TEXINS Flying Club. The airport festivities are based largely around a Young Eagle Day. In addition, there will be interesting fly-in aircraft, displays, parade-of-flight, and other fun amusements. Last but not least, a BBQ lunch will be available on the airport.

The Young Eagle program is an EAA sponsored effort to educate and give airplane rides to 1 million youngsters by the year 2000. Nationally, the EAA is on their way to achieving this goal. The local event at McKinney will begin with a basic ground orientation on aircraft and it's systems followed by a short ride in an aircraft. Each Young eagle will be required to present a release in liability form signed by a parent or guardian prior to the flight.

Registration for Young Eagles occurs between 8:30-9:30am, with the program ending at 2:00pm. Anyone who would like to take a Young Eagle Ride from anywhere in the area is welcome to come on the morning of the 16<sup>th</sup>!

### **Problem Finding a Tie Down?**

Many of the tie-downs on the ramp near the Exec Air terminal are for TFC planes. The 1<sup>st</sup> tie-down – the one closest to the terminal – is reserved for transient use. Please don't use this spot for permanent tie-downs. If, however, you can't find a tie-down, you should tell one of the line-guys to make a place for the plane. If you arrive after-hours, call Billy Howards, the V.P. of Operations at (972) 752-5568. In addition notify Ash Collins, TFC President, about the problem so we can take additional measures if needed. →

### **Still looking for "Hot Spots"**

Have you flown somewhere that you thought was memorable? Was the food good, the scenery beautiful? We are working on an upcoming *FlightLines* issue that has a list of "hot-spots" around Texas that our members have flown to. If you have spots that you liked, please comment on them and send them to Mark Paley, at [mpaley@ti.com](mailto:mpaley@ti.com). →

**ABOUT THIS NEWSLETTER:** Input is encouraged! Of particular interest are flying experiences that others can learn from. Forward inputs to Mark Paley. PC Drop **PVP7**, MSGid **PALY**, email **mpaley@ti.com**. →
